Dear Judge Seybert ,

re: United States v. Nancy Marks  
**Dkt. No 23-CR- 197**

We write to request the return of Ms. Marks' passport, which is expired. It was surrendered to Pre-Trial Services as part of her bail conditions. According to the letter from Pre-Trial the court can order it either returned to sent to the probation department.

I have consulted with AUSA Bagnuola and the government defers to probation regarding this. P.O. Ragogna has no objection to the return.

On a second matter, after reviewing Ms. Marks budget and income, P.O. Ragogna and Ms. Marks agree that \$500 a month restitution would be available from her funds. If the court is amenable to this, we request that it order a figure of \$500 per month until such time as her financial condition changes.

Thank you for your consideration of these matters.

Sincerely,  
PERINI & HOERGER
